Their car started getting up. They were lifting up by an unknown spaceship.

Mr Pratt was screaming and crying, while Mrs Boweles was calm^{and} serious.

Suddenly their car stopped shaking. They couldn't see anything through the window ~~because~~ but they could understand: they were in ^{the} space. ^{gr}

Then, they heard some sounds. It seemed like lots of small kids started talking at the same time. Mr Pratt was frightened and speechless, but Mrs Boweles kept her seriousness and confidence. "Who were that naughty people who interrupt our trip?" Mrs Boweles asked but didn't get an answer.

"We had caught people from ^{the} Earth!" - they heard this phrase from lots of funny voices and then they saw the speakers: they were little green aliens.

Mrs Boweles looked confident and said "Get us back to ^{the} Earth now!". Little aliens ignored her words but then a one big alien came and said "Sorry for them, they're too young to understand. We're going to transfer you to ^{the} Earth immediately... Oh, excuse me, look here!"

Mrs Boweles couldn't remember anything, except a car trip from Winchester to Chilcomb with Mr Ted Pratt.
